

# Pupil Premium Information

## Background

Five Ways Primary School receives a pupil premium allocation for children of statutory school age, who are known to have been eligible for Free School Meals (FSM) in the last 6 years, for children who have been looked after continuously for more than six months and for those children who currently serve in the armed forces.

Its purpose is to address inequality, ensuring that funding to tackle disadvantage and support emotional and social wellbeing, reaches pupils who need it most. Schools are free to use the pupil premium allocation as they see fit and are held accountable for how the funds have been used. *NB: the level of pupil premium will vary from year to year, as the number of children entitled changes.*
