

Year 1	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
English	Please look at the Parent Planning documents for termly learning objectives for English and Mathematics.					
Mathematics						
Computing	My study of computing links to my work in other curriculum areas and includes 'Being A Creator', 'Being A Computer Scientist' and 'Being E-Safe'.					
Science	Autumn and Winter	Everyday materials	Winter and Spring	Animals including humans	Spring and Summer	Plants
Design and Technology	What products make the best greetings card?		What makes a good board game?		Why do we need a healthy diet?	
Physical Education	Games: sending and receiving Gymnastics		Travelling Dance Athletics		Striking and fielding games Athletics Outdoor and adventurous	
Topic: History	What do I remember?		Which events changed the world?		What was it like to live here in the past?	
Topic: Geography	What is the school environment?		What is the local environment like?		What is the seaside like? What is it like to live on a remote British island?	
Religious Education (Christianity)	What does it mean to belong?	How do teachers help us? How do churches get ready for Christmas?	Why are some places very special?	Why are some objects very special? What are palm crosses?	Why are some books very special?	How do we welcome children?
Art	Nature around me Landscapes and impressionism		Printmaking Observational drawing of manmade objects Modelling with plasticine		Buildings Cityscapes Cartoons	
Music	Exploring sounds The world around us		Exploring duration Toys and tales		Exploring pulse and rhythm Songs and chants	

Year 2	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
English	Please look at the Parent Planning documents for termly learning objectives for English and Mathematics.					
Mathematics						
Computing	My study of computing links to my work in other curriculum areas and includes 'Being A Creator', 'Being A Computer Scientist' and 'Being E-Safe'.					
Science	Living things	Animals including humans	Plants, Animals and Habitats	Uses of everyday materials	Uses of everyday materials	Plants, Animals and Habitats
Design and Technology	What is the most effective way to fix a wooden frame together?		What is a healthy snack?		Which fixing would be the most appropriate to use on fabric?	
Physical Education	Games: sending and receiving Gymnastics		Travelling Dance Athletics		Striking and fielding games Athletics Outdoor and adventurous	
Topic: History	Which events changed the world?		What events do we remember?		Who is remembered?	
Topic: Geography	Where is the place in the world that I live and what is it like?		Where is Japan and what is it like compared to the U.K.?		What is weather and how does it affect people, places and environments?	
Religious Education (Christianity and Islam)	What does it mean to be different?	Why are some books very special? How do Christians prepare for Christmas?	What happens in special places?	Why are some objects and clothes very special? Why do we eat hot cross buns?	How do we welcome children?	How should we treat the world around us?
Art	How can I show texture in my drawings? Mixing colours		Experimenting with hot/cold colours Wax resist Mixed media		Collage Still life	
Music	Exploring pitch Up, down and all around		Exploring instruments Hit, pluck and blow		The weather	

Year 3	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
English	Please look at the Parent Planning documents for termly learning objectives for English and Mathematics.					
Mathematics						
Computing	How can I present information using Microsoft Word?		How can I send information over a distance? How can I create and test sequences of instructions to make things happen? How can I combine text, images, tables and sounds?		How can I solve problems using simulations in real or imaginary situations? How can I collect and organise information on mini-beasts?	
Science	Forces and magnets	Animals including humans	Light	Plants	Rocks	Animals including humans
Design and Technology	What do levers do to help us?		What makes a good gift bag?		What is a net?	
Physical Education	Invasion games Gymnastics		Net/wall games Dance Athletics		Striking and fielding games Athletics Outdoor and adventurous	
Topic: History	What changed in Stone Age and Bronze Age Britain?		What were the achievements of the earliest civilisations?		How did local Iron Age tribes defend themselves?	
Topic: Geography	UK		Settlements		UK regional study	
Religious Education (Christianity and Islam)	Why is food special?	Why do we have rules? Why is a Christingle special for Christians?	Who inspires us?	Why should I help others? How is Easter celebrated in the U.K. and around the world?	Why should I care for animals?	Why is it important to have friends?
Art	Investigating faces Investigating town/cityscapes		Representing an object in different media		Representing an object in 3D Investigating colour in abstract art	
Music	Animal magic		Shapes and patterns		Music with a story	
MFL (French)	Where is France? Who am I? What can we do in Autumn? Where have I heard that story before? Is Christmas celebrated in France?		What day is it today? What can we do in Winter? What is the name of that animal? What can we do in Spring?		Who belongs in my family? What did 'The Four Friends' do? What can we do in the Summer? Who wrote that music? Who painted that picture?	

Year 4	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
English	Please look at the Parent Planning documents for termly learning objectives for English and Mathematics.					
Mathematics						
Computing	How can I present information using Publisher or Powerpoint?		How can I develop images using repeated patterns? How can I create and test sequences of instructions to make things happen using Logo? How can I sort and organise information using a branching database?		How can I present information collected from questionnaires?	
Science	States of matter	Animals including humans	Sound	Electricity	Living things	Animals including humans
Design and Technology	Can cams help us to make a moving toy?		Can you use pressure to make a toy?		What so pulleys do for us?	
Physical Education	Invasion games Gymnastics		Net/wall games Dance Athletics		Striking and fielding games Athletics Swimming	
Topic: History	How did the Roman invasion change life in Britain?			What do I need to thank the Ancient Greeks for?		
Topic: Geography	Europe		A European country		Rivers and the water cycle	
Religious Education - (Christianity, Hinduism and Sikhism)	What is Hinduism and Sikhism?	Why do Hindus celebrate Diwali? What is the significance of Christmas songs for Christians?	Why is it important to be treated equally?	How do believers worship at home? What happened on Maundy Thursday?	Why are journeys important?	What do people learn from going on journeys?
Art	Using natural objects as inspiration		How do artists illustrate books? Blending with oil pastels Still life and collage		How can I use perspective in landscape paintings? Making a sculpture using found materials	
Music	Dragon scales		Musical patterns Question and answer		Singing games	
MFL (French)	Is the French alphabet the same as the English one? What is the weather like today? Why is Avignon a famous place? How is Christmas celebrated in France?		Is it a fruit or a vegetable? What is the French word for knees? What are the festivals of Spring?		Where do I live? Where am I going on holiday this year?	

Year 5	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
English	Please look at the Parent Planning documents for termly learning objectives for English and Mathematics.					
Mathematics						
Computing	How can I redesign our playground?		How can I create and test sequences of instructions to make things happen? How can I use simulations to answer questions and rules?		How can I use Excel to budget for a party? How can I use Junior Viewpoint to interpret data and graphs?	
Science	Properties and changes of materials		Earth and space	Forces	Animals including humans	Living things
Design and Technology	How is a fairground ride powered?		What makes an appealing torch?		Food technology	
Physical Education	Invasion games Swimming Gymnastics		Net/wall games Dance Athletics		Striking and fielding games Athletics Outdoor and adventurous	
Topic: History	Who were the Benin?			Who left behind the Staffordshire Hoard?		
Topic: Geography	Mountains, volcanoes, earthquakes		A region of North America		Environmental change in the UK	
Religious Education - (Christianity and Judaism)	What is Judaism?	Why is commitment important? How can the story of St Nicholas inspire me?	Why is courage important?	How can we learn from hardship?	Why is it important to care about the environment?	
Art	Using manufactured objects as inspiration		Investigating watercolours and brush techniques Artwork inspired by Japanese artist Hokusai		Collage inspired by an abstract artist Using print techniques to create a picture	
Music	Brass tuition		Brass tuition		Brass tuition	
MFL (French)	What is the date of your birthday? Who's afraid of the wolf? How is Epiphany celebrated in France?		What is the weather like where you live? What time is it? Do the French celebrate April Fool's Day? Who painted this colourful art? What did you do in school today?		What are the 'typical' things of France? Is Chartres an interesting place to visit? Does our moon shine on France? What's on the menu today?	

Year 6	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
English	Please look at the Parent Planning documents for termly learning objectives for English and Mathematics.					
Mathematics						
Computing	How can information be presented?		How can I use different formulas to solve problems using Excel?		How can I present information about my robot?	
Science	Light	Electricity	Evolution and inheritance	Animals including humans	Living things	Animals including humans (sex education)
Design and Technology	What makes a good structure?		Do all masks have a meaning?		What is a robot?	
Physical Education	Invasion games Gymnastics		Net/wall games Dance Athletics		Striking and fielding games Athletics Outdoor and adventurous	
Topic: History			Who ruled Britain from AD789 to 1066?		An aspect/theme of British history	
Topic: Geography	What do I know about South America Rainforests in South America				Natural resources in the world	
Religious Education - (Christianity and multi-faith study)	How do people express their beliefs? How is the Nativity depicted in Art?		Where do sacred texts come from?	How is God represented in sacred texts? Why is Easter the most important festival for Christians?	How did the world begin?	What puzzles me?
Art	Investigating human form and proportion		Investigating the art of another culture		Investigating an artist's work Sculptures and gargoyles	
Music	Song and lyrics		Creating mood		Special occasions - leavers' assembly	
MFL (French)	Where do I belong? How should I prepare for Un Noël Français?		Where does this animal live? Where else in the world can I practise my French?		Which sports are popular in France? What can we do à Paris?
