

Five Ways School

PTFA

Working for our school, our children

Support the School Lottery and help us to raise money for a **DEFIBRILLATOR,** a vital life-saving piece of equipment.

The PTFA is aiming to raise money towards purchasing an external automated defibrillator (AED) and will be pledging part of the money raised from the School Lottery to this cause, as well as funding other important initiatives. So please spread the word and help us to achieve this crucial goal. From every £1 spent on a lottery ticket, 40p goes back to our school. A defibrillator can save lives and the school lottery costs as little as £1 per week. **Please help us to raise money for a defibrillator by buying a lottery ticket today at:-**
