

Five Ways Primary School

Risk Assessment Policy

September 2024

Five Ways Primary School PTFA, Langholm Drive, Heath Hayes, Cannock, Staffordshire, WS12 2EZ

Risk Assessment Policy

Introduction

This policy sets out the principles for risk management within Five Ways PTFA.

- It is relevant to all within the association and is endorsed by the committee of Five Ways PTFA.

It will be reviewed annually to ensure that it remains appropriate to the Organisation and its volunteers needs annually.

Purpose

The purpose of Risk Management is to identify risks as early as possible, develop a strategy to mitigate those risks and implement a risk management process as part of our PTFA event planning process.

For all PTA events:

- A Risk Assessment is to be carried out by a committee member to:
 1. Identify potential hazards
 2. Identify who may be harmed by such hazards
 3. Determine whether existing precautions are adequate or whether further action needs to be taken
 4. Record your findings on the PTA Risk Assessment template
 5. Review your assessment and update when necessary
- Take advice from the school/venue where appropriate – look at previous risk assessments and adhere to recommendations.
- Take advice from the HSE where appropriate – www.hse.gov.uk.

- A copy of the Risk Assessment to be kept in a designated folder for use by the PTFA Committee – this can be used for reference if the same event is being run in the future.
- A copy of the Risk Assessment given to the school if requested.
- All committee members taking part in the event should be made aware of the risk assessment.

This policy will be reviewed annually by Five Ways PTFA committee prior to the AGM.

Policy agreed by committee: October 2024.

Signed: *Amy Winters* - Chairperson

Review Date: September 2025.
