Online Safety

Have a conversation

It is really important to chat with your children on an ongoing basis about staying safe online. Not sure where to begin? These conversation starter suggestions can help.

- **Ask your children to tell you about the sites they like to visit and what they enjoy doing online.**

What games do you and your friends like to play online? Can you show me the websites you visit the most? Shall we play your favourite game online together?

- ▲ **Ask them about how they stay safe online.**

What tips do they have for you, and where did they learn them? What is OK and not OK to share?

Promoting a Healthy Lifestyle

Healthy Snacks

You are what you eat!

A good diet is vitally important to your health and general well-being; it can make you feel happier, healthier and full of energy.

You are encouraged to bring healthy snacks to school to enjoy at break times. Snacks of 100 calories or less are recommended by Change4Life / NHS. It is advised that no more than 2 snacks should be consumed each day. Healthier snack options could include:

- Fruit, e.g. apples, bananas, strawberries, peaches, plums, blueberries
- Dried fruit, e.g. raisins, currants, apricots, sultanas
- Cereal bars
- Vegetable sticks, e.g. peppers, cucumber, cherry tomatoes
- Breadsticks
- Plain popcorn
- Baked crisps, French fries, Quavers
- Fun size chocolate bars
- Mini babybel cheese, cheese strings
- Fruit flakes, yoghurt flakes, fruit winders.

Three images of healthy snacks: a bunch of yellow bananas, a single red apple, and a bunch of green and orange vegetable sticks.

Thank You

The image features the words "Thank You" in a bubbly, cursive font. The letters are filled with a light beige color and have a thick brown outline. Each letter is decorated with horizontal stripes in blue and orange, giving it a retro, celebratory feel. The text is surrounded by six small, five-pointed stars with a beige fill and a brown outline. The background is white and is decorated with various stylized foliage elements in shades of green and beige, including ferns, monstera leaves, and simple leafy branches.
